

new
office
openings

Sandy—8520 South 13th East
June 26th 1978, marked the opening of this
our fourteenth office location. As is the case
with our other branch offices, the architectural
and esthetic beauty gives customers a most
comfortable atmosphere in which to
conduct their business.

Foothill—2108 East 13th South
The opening of this beautiful addition to
the Foothill Village area was January 2nd,
1979. Within the following two weeks this
office experienced the most successful
"Grand Opening" in the history of this
association.
